Dear John

Once again it is time to renew your membership with SARC. If you have not been a member for a while I invite you to come back and see what exciting plans the board has for the upcoming year. Please update any information below and return the completed application along with \$10.00, if you have not registered yet, to the address above.

We are using a new program to keep track of our members so please take time and complete as much information as you can.

New information includes: ARRL Member, when you first joined SARC, your birth date, and office phone. Also let us know if you do not want your phone numbers published, and check off any interests you have.

If you are a VE let us know what group (W5YI or ARRL), and if you are in the MARS program let us know your call and branch of service.

We are also planning picnic/pot luck at our normal meeting place at Surfwood on July 23 around 6:30pm. Please plan to join us. Bring your family or friends also along with a side dish or dessert. You will also need to bring your own drinks and eating equipment, plate, fork, etc and if you have a chair or two bring that as well.

Beegle, John
